The “Go Wild” Program

was spearheaded by the

Arizona Watchable Wildlife Tourism Association.

AWWTA’s goal is to promote & advocate Arizona’s

☐ birding &

☐ wildlife-watching tourism industry.

and

GoWild

What is the “Go Wild” Program?

It is a statewide nature tourism

- development,
- marketing &
- management

program for rural communities
developed & facilitated by AWWTA.

Discover Globe-Miami

and

GoWild

The “Go Wild” Program

was launched to introduce the benefits of:

- nature-related tourism &
- wildlife viewing recreation

as an economic engine driving community growth.

Discover Globe-Miami

and

GoWild

The “Go Wild” Strategy is two-fold:

- work with communities to develop wildlife-viewing recreation opportunities &
- capitalize on existing community resources.

Discover Globe-Miami

and

GoWild

The “Go Wild” Program includes:

- creation of a local advisory group
- six monthly meetings to develop local product & structure
- continued AWWTA involvement with local oversight.
