Who is the Arizona Office of Tourism?

AOT strives to enhance the state economy and the quality of life for all Arizonans by expanding travel activity and increasing related revenues through tourism promotion and development. AOT's goal is to provide precise, research-driven strategies to achieve this mission while serving as the comprehensive leader in Arizona's tourism industry.

What does that mean to you?

AOT is *the* single marketing agency responsible for bringing travelers from across the US, and internationally to the state of Arizona. You'll have the opportunity to be part of the integrated advertising team, participating in weekly ad agency meetings, collaborating in the creative process, and learning what it takes to produce strategic consumer advertising campaigns.

Within AOT, the advertising department happens to be a fast-moving, fun-loving group, if we do say ourselves. We work hard and meet deadlines, but somehow find time to laugh.

Compensation – this is an unpaid internship.

What does that mean to you?
