Note: The above figures are for recreational visitors only.

<sup>1</sup>Glen Canyon NRA and Lake Mead NRA both encompass two states. Only the Arizona portion of visitors are represented here.

December Notes: Lake Mead NRA year-end figures reflect road construction related issues at Katherine Access Road in the first half of 2016. Navajo NM count for Dec. 2016 is an estimate due to a traffic counter issue. Petrified Forest NP count estimated for December 2015 due to broken traffic counter. Pipe Spring NM count estimated for both 2015 & 2016. Sunset Crater Volcano NM is currently revising the counting procedure and counts do not reflect total visitation. At Tumacacori, annual Christmas Eve event rained out with low visitation.
