Revised 12-4-20

Note: The above figures are for recreational visitors only.

¹Glen Canyon NRA and Lake Mead NRA both encompass two states. Only the Arizona portion of visitors are represented here. Revised formulas are being used by both Glen Canyon NRA and Lake Mead NRA for 2018 and 2019 relative to prior years. At Glen Canyon NRA, Horseshoe Bend counts are now being reported separately and are included above. Canyon de Chelly NM also reported using a revised counting protocol in 2018 and 2019.

October Notes: Navajo NM reported issues with traffic counters and resulting loss of data. Organ Pipe Cactus NM reported issues with non-functioning traffic counters and resulting estimated data. The lower cliff dwelling at Tonto NM was closed for three days in October 2019 due to the Woodbury Fire and related erosion.
