

Vision: Create an Arizona experience that captures and nurtures the hearts and minds of people who call it home and travelers the world over in search of extraordinary adventure and natural wonders.

Mission: We stabilize and strengthen local economies, protect environmental and cultural resources, create a meaningful visitor experience and enhance the quality of life for Arizonans through tourism collaboration, promotion and development.

Agency Description: The Arizona Office of Tourism (AOT) leads the state's tourism industry with the development of global marketing programs to promote Arizona as a travel destination. With multiple research-based initiatives including advertising campaigns, cooperative marketing programs, trade and media relations and community outreach, AOT sets into motion a positive and profitable cycle of visitation, spending, job growth and tax revenue.

Executive Summary: For FY22, AOT will continue to monitor travel consumers' response to our Rediscover Arizona campaign launched in late FY20. What started as a recovery campaign, designed specifically to help rebuild the state's tourism economy and off set the substantial loss of spending and tax revenue generated due to the COVID-19 crisis, became AOT's primary marketing campaign.

To further help communities across the state that face diminished or eliminated marketing budgets, AOT will continue with our robust cooperative marketing, trade and media relations and community outreach programs.

Our goal to cultivate a productive Arizona tourism industry is now more important than ever. AOT is developing a one-year recovery plan, along with a three-year strategic plan and a 10-year sustainability plan with a well-respected industry consultant to address the specific needs of our state and Arizona communities in regaining lost economic activity.
