Note: The above figures are for recreational visitors only.

¹Glen Canyon NRA and Lake Mead NRA both encompass two states. Only the Arizona portion of visitors are represented here.

September Notes: September 27th (National Public Lands Day) was a fee free day. The Lake Mead NRA visitor counts representing the AZ portion are estimated. Estimates were also used at Coronado NM, Organ Pipe Cactus NM and Wupatki NM. At Grand Canyon NP, summer wildland fire impacts on the North Rim and construction of the transcanyon waterline resulted in numerous closures including inner canyon trails.
